

# One Thing About The Election

## EVERYONE CAN AGREE ON 2016

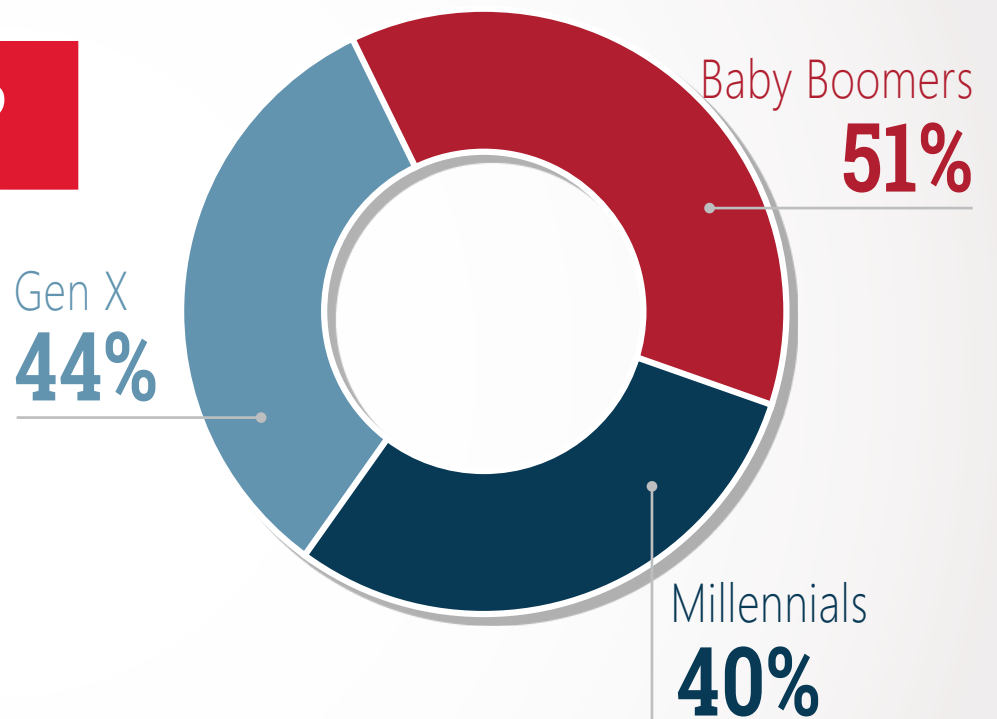

TALKING POLITICS AT WORK IS NOT OKAY.

**2/3** of job seekers say that talking politics at work is inappropriate.

### But Is this an old school mentality?

Baby boomers feel **more uncomfortable** talking about politics at work than their younger co-workers.

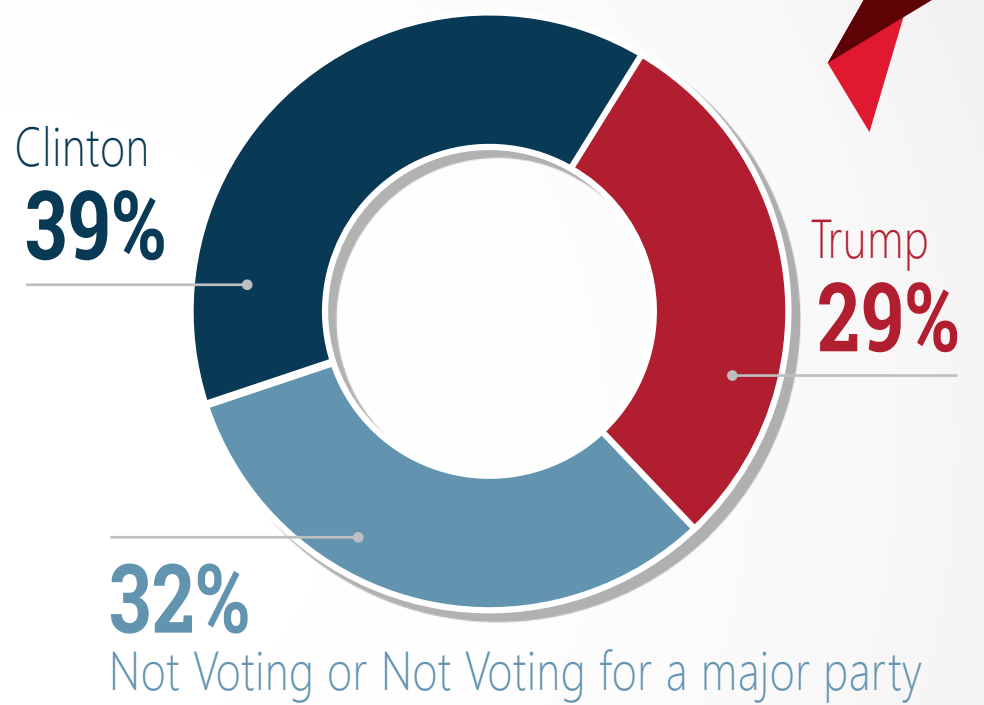

## (UN)POPULAR VOTE

With two of the most polarizing candidates ever, people aren't thrilled with their choices for President.

**1/3** of job seekers don't plan to vote or are not voting for a major party candidate.
